

The modern 15-acre plant pictured above stands back of every Crawford Range. And because they are made in the best factory of its kind in the world, Crawford Ranges can't help being the best.

Crawford Ranges

The Woman who owns a Crawford cooks with the World's Best Range

Buying a Range is like buying a diamond. It depends on the stove—it depends on the stone.

No Range can be too good. Buying the best Range is a duty—a duty to your home—to yourself—to your family.

The Range burns the coal and cooks the food. Coal costs money. Perfectly cooked food provides health.

The Range that uses less coal—and through scientific construction cooks perfectly and most easily—is the Range to buy—the Range to own.

Imitating the Crawford Range

The greatest proof of Crawford Range leadership is the imitation of its unique features. There are certain Crawford distinctions that are embodied in nearly every other Range upon the market.

The Crawford has always led in improvements. Thanks to Crawford patents, the most important of these cannot be imitated.

That wonderful Crawford Single Damper which with one movement controls the fire and the oven cannot be found in any other Range on the market.

Twenty Crawford Advantages

On the inside of a Crawford Range as well as on the outside you will find reasons why Crawford Ranges excel.

The Crawford embodies more invention and a closer scientific construction than other Ranges. Your eyes and your common sense will appreciate its advantages at once.

You simply cannot be a poor cook with a Crawford. It does the thinking for you.

And its low coal consumption and its perfect system of heat-distribution also make the Crawford the most economical Range.

A Crawford saves and satisfies—always.

"Why I Sell Crawford Ranges!"

Any Crawford Dealer will tell you why he is proud to sell Crawford Ranges. And he has good reason to be proud. He is selling the World's best Range—and can prove it—easily—surely—without argument.

If you have inspected all the other Ranges in town you will quickly forget them when you see a Crawford.

You'll buy a Crawford. You can't help it. The Dealer will show it to you—and the Crawford will sell itself.

The patented Single Damper—the scientific flue system—the labor-saving double Ash Hods—and the many other Crawford conveniences will prove irresistible.

Our Pride in the Crawford Plant

The Crawford is made in the world's greatest stove plant. Not greatest in size—but greatest in invention, efficiency and system that make possible the best Range in the world.

For Sale by C. W. AVERILL & CO., Barre Agents

It is a matter of record that the leading stove men come to Watertown, Mass., to see our plant—and go away convinced that ours is the finest equipped stove plant in existence.

The Crawford Range is made with the utmost care. And the half century of skill and experience behind it and in it give the Crawford a national reputation that even our competitors admit.

The Crawford Range as an Investment

The Crawford Range is a life-time investment. Thousands of women who pride themselves on their cooking think the Crawford simply cannot be improved.

However, we are our own severest critics. If the best can be bettered we will do it. For the Crawford ideal is never really satisfied.

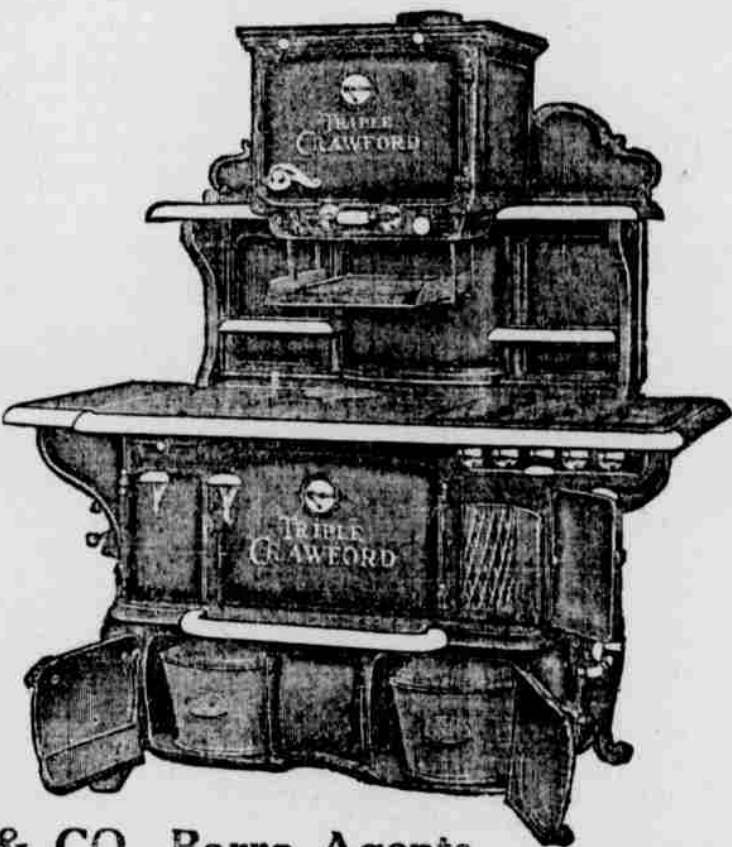

To improve—to build still better—to add more and more to its wonderful supremacy—is our constant aim.

Yet the fact remains: Today's Crawford Range seems as near perfect as is humanly possible.

And one thing is certain. When you buy your Crawford you are buying a range that has never yet been equalled—a Range that is a life-time investment—for you and for your children.

Gas ovens if desired: end (single) or elevated (double).

Visit your Crawford Dealer. He will give you the twenty reasons why he sells the Crawford. Every reason he gives you will be an added reason for you to own one.

MARSHFIELD

The funeral services of Charles E. Shepard were held from his late home Friday, Sept. 29, at 10 a. m. The house was filled to overflowing with sorrowing friends and neighbors, who extend their heartfelt sympathy to the bereaved family. The band, Knights of Pythias and Morrill post of Cabot, of which organizations he was a member, attended in a body. The burial service was under the direction of the Knights of Pythias, the interment taking place in the cemetery at the southern end of the town. The floral tributes were many and beautiful and included pillows from the Knights of Pythias and the band.

Among those present from out of town were James Brock, George English and two daughters, Mr. and Mrs. H. S. Tabor, Mr. and Mrs. E. J. Marshall, Mr. and Mrs. L. B. Shepard, Mr. and Mrs. B. M. Shepard and family, Ira H. Edson and son, Dean, of Montpelier, and Mrs. Charles Douglas, Mr. and Mrs. Truman Hatch and Miss Esther Douglas of Post Mills, Mr. and Mrs. Eber Bashaw of Albany, Charles O. Shepard and son, Harry, and Mr. and Mrs. R. E. Cheney of Hardwick, Mrs. L. G. Goss and son and Mrs. Willis Flint of St. Johnsbury, Mr. and Mrs. Newton Hall and Mrs. Lee Blanchard of Groton, Mr. and Mrs. Munger, Mrs. Loren Chase and Frank Pollard of Peacham.

A touching tribute was paid by the school children who, accompanied by their teacher, marched in a body to the house at 9 o'clock to take the last look at their departed friend, who always had such a warm place in his heart for them. Young and old alike greatly mourn his loss.

Mr. and Mrs. Grant Brown of Greenfield, Mass., spent a few days with his parents recently.

F. G. Merrill was home from Barre a few days the last of the week.

A. T. Davis and family and Mrs. E. A. Rosebrook were in Rochester over Sunday.

Carl Turner of Boston was a visitor in town Monday.

Remember the harvest dinner Wednesday, Oct. 11, at the Congregational church. The ladies will hold their regular sewing meeting in the afternoon.

Mrs. C. H. Chapin, Mrs. L. D. Nute, Mrs. G. L. Dwinell and Miss Anna L. Burnham attended the state C. E. convention at Montpelier the first of the week.

There was a checker meet at E. E. Tanner's Wednesday evening, which resulted in a score of 34 for Marshfield and 31 for Cabot.

Lightning struck Ivan Carpenter's house last Friday, entering by the chimney and going out by way of the telephone. It is thought. Several windows were broken and the telephone was badly damaged, but nothing took fire. The family were on the porch at the time, but no one was injured.

Miss Mabel Henderson returned Thursday from Woodbury, where she had been the guest of Rev. and Mrs. O. L. Barnard for a few days.

Dr. and Mrs. Carson left Monday for a visit to his parents in Honesdale, Pa. Mr. and Mrs. C. M. Lilley, Mr. and Mrs. G. F. Bliss, Mr. and Mrs. E. C. Pitkin and Mrs. Flora Bliss took an auto trip to Lake Willoughby Wednesday.

Mrs. Cora Chester of Cabot has been spending the week with her sister, Mrs. Frank White.

Mrs. O. D. Cole went Thursday to Wolcott to visit her brother, C. Twiss.

A steam drill is at work on the ledge in the narrows near B. L. Cameron's with a view to widening the road at that point.

Mr. and Mrs. Lee Shortt and Mr. and Mrs. A. T. Davis were in Orleans Thursday.

BRADFORD

Mrs. R. S. Parsons of Thompsonville, Conn., was a recent guest of her sister, Mrs. W. E. Norcross.

Mr. and Mrs. P. A. Lund went to Groton Tuesday. Mr. Lund's father accompanied them home, where he is to remain through the winter.

The Epworth league of Grace church was well entertained by the young people of the Congregational society in the church parlors Tuesday evening after the regular meetings of each society. A short program was rendered, after which dainty refreshments were served and a social hour enjoyed.

H. T. Johnson was a business visitor in Burlington Thursday.

Arthur Johnson's people were Sunday visitors in Lyme, N. H.

Bordena and Grace Richardson were at their home in Waits River over Sunday.

Rally day was observed at the Methodist church last Sunday with appropriate exercises. The attendance was 102.

Frank Gannett has sold his farm on the lower plain and moved to Lancaster, N. H. Mrs. Kruskal accompanied them to remain till they get settled in their new home.

Hollis Young, who is working at Stone-cliff farm and attending school, spent the week-end with his parents in Ely.

Miss Clara Bliss of Marshfield is visiting friends in town.

H. T. Johnson and two sons took an auto trip to Burlington Sunday to see the soldiers.

Ira Parker has finished work at the Johnson farm and is working for Harry Kelley pressing hay.

Miss Madeline Gaffield is attending school at the University of Vermont.

BUILD UP YOUR BLOOD

It is a hopeless task to try to restore your health while your blood is deficient in quantity or quality.

The blood circulates throughout every portion of the body except the hair and nails. It takes the nourishment from the food and distributes it to the various muscles and organs; it takes also any medication that is administered through the mouth. The blood is the only means by which medicine can reach the nerves. If the blood is thin its carrying capacity is lessened because it is the red corpuscles in the blood that carry oxygen and other needed constituents to the various parts of the body.

Dr. Williams' Pink Pills for Pale People increase the red corpuscles in the blood. They enable it to absorb more oxygen, to carry more life and strength to the weakened organs. In any disease in which the patient becomes thin and pale Dr. Williams' Pink Pills can be used successfully to combat the anemia and build up the health and strength.

"Building Up the Blood" is a booklet, full of good information. Every mother and every growing girl should have one. It is sent free on request by the Dr. Williams' Medicine Co., Schenectady, N. Y. Your own druggist sells Dr. Williams' Pink Pills. Price 50 cents.

EAST MONTPELIER

Miscellaneous Shower Given Miss Theresa Hayford.

A very pleasant event occurred at the home of Mr. and Mrs. W. E. Hayford Tuesday afternoon, when their daughter, Miss Theresa Hayford, was given a miscellaneous shower by her friends and neighbors. The affair was in the hands of Mrs. C. A. Badger and Mrs. William Standley, who served refreshments of cake and coffee.

Miss Hayford is soon to marry Mr. Taisey of Worcester and will reside in Lowell, Mass.

GRANITEVILLE.

Engineers Take Notice.

Regular meeting of local No. 423, I. U. S. E. will be held Monday, Oct. 9, in Miles' hall at 7 p. m. All members are requested to attend.

Easy Way to Get Rid of Itching

Don't worry any more about that itching skin trouble. Just get a jar of resitol ointment and a cake of resitol soap at any drug store. With the resitol soap and warm water bathe the affected parts thoroughly, until they are free from crusts and the skin is softened. Dry very gently, spread on a thin layer of the resitol ointment, and cover with a light bandage—if necessary to protect the clothing. This should be done twice a day. Usually the distressing itching and burning stop with the first treatment, and the skin soon becomes clear and healthy again.

Choosing Your Shampoo Soap

If you select a soap that contains soothing, healing properties like the resitol balsams in resitol soap, you are not likely to have trouble with dandruff, loss of hair or itching scalp. Ideal for the youngsters' heads.
